Here Comes the Sun

(tekst & muziek: George Harrison)

Here comes the sun, here comes the sun,
and I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here
Here comes the sun, here comes the sun
and I say it's all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here
Here comes the sun, here comes the sun
and I say it's all right

Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear
Here comes the sun, here comes the sun,
and I say it's all right
It's all right
