Tonight I celebrate my love for you

(tekst: Gerry Goffin; muziek: Michael Masser)

Tonight I celebrate my love for you
It seems the natural thing to do
Tonight no one's gonna find us
We'll leave the world behind us
When I make love to you

Tonight I celebrate my love for you
And hope that deep inside you feel it too
Tonight our spirits will be climbing
To the sky lit up with diamonds
When I make love to you tonight

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you tonight

Tonight I celebrate my love for you
And soon this old world will seem brand new
Tonight we will both discover
How friends turn into lovers
When I make love to you

Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you

Tonight I celebrate my love for you

Tonight, I celebrate my love for you
