# Reality

(tekst: Jeff Jordon; muziek: Vladimir Cosma)

Met you by surprise, didn't realise that my life would change for ever.  
Saw you standing there, didn't know I'd care there was something special in the air.

Dreams are my reality, the only kind of real fantasy,  
Illusions are a common thing, I try to live in dreams. It seems as if it's meant to be.  
Dreams are my reality, a different kind of reality,  
I dream of loving in the night, and loving seems all right, although it's only fantasy.

If you do exist, honey don't resist, show me a new way of loving.  
Tell me that it's true, show me what to do, I feel something special about you.

Dreams are my reality, the only kind of reality,  
May be my foolishness is past, and may be now at last, I'll see how the real thing can be.  
Dreams are my reality, a wondrous world where I like to be,  
dream of holding you all night and holding you seems right, perhaps that's my reality.

Met you by surprise, didn't realise that my life would change for ever.  
Tell me that it's true, feeling stand on you, I feel something special about you.

Dreams are my reality, a wondrous world where I like to be.  
Illusions are a common thing, I try to live in dreams although it's only fantasy.  
Dreams are my reality, I like to dream of you cause of me.  
I dream of holding you all night and loving you seems right, perhaps that's my reality.
