Swinging in the backyard, pull up in your fast car, whistling my name
Open up a beer, and you say get over here, and play a video game
I'm in his favorite sun dress, watching me get undressed, take that body downtown
I say you the bestest, lean in for a big kiss, put his favorite perfume on

Go play a video game

It's you, it's you, it's all for you
Everything I do, I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby now you do

Singing in the old bars, swinging with the old stars, living for the fame
Kissing in the blue dark, playing pool and wild darts, video games
He holds me in his big arms, drunk and I am seeing stars, this is all I think of
Watching all our friends fall, in and out of Old Paul's, this is my idea of fun

Playing video games

It's you, it's you, it's all for you
Everything I do, I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby now you do

(Now you do)

It's you, it's you, it's all for you
Everything I do, I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby now you do
