I don't know how to love Him

(tekst & muziek: Andrew Lloyd Webber)

I don't know how to love Him,
what to do how to move Him.
I've been changed, Yes really changed.
In these past few days when I've seen myself,
I've seemed like someone else.

I don't know how to take this.
I don't see why He moves me.
He's a man, He's just a man.
And I've had so many men before, in very many ways.
He's just one more.

Should I bring Him down?
Should I scream and shout?
Should I speak of love?
Let my feelings out?
I never thought I'd come to this,
what's it all about?

Don't you think it's rather funny,
that I should be in this position?
I'm the one, who's always been,
so calm so cool, no lover's fool,
running every show. He scares me so.

I never thought I'd come to this.
What's it all about?

Yet, if He says He loves me,
I'd be lost, I'd be frightened.
